Watford UTC students have had another exciting term with lots going on outside the classroom: Y13 student Martyna has passed on her barista skills to our Y12 T&T group, who also visited the Tourism and Events department at our partner University (Uni of Herts).

IT and Business students have had masterclasses with Cisco and Goldsmiths University, while Y11 and 13 Media have benefitted from study days at the British Film Institute.

Y11 experienced a live lesson on Romeo & Juliet in preparation for their GCSE exam. Post-16 students heard from climber and motivational speaker Ben Heason about his travels and how they have influenced his life philosophy.

Most excitingly, a group of 9 Y10 students devised and wrote their own novel in just 5 days with the White Water Writers Project. It will be published shortly so stay tuned for details on where you can get your copy!
