Presenting Professionalism

Welcome to the Watford UTC dress code guide.

The Watford UTC is a professional environment, a space that aims to get students inspired for their future as they prepare for it.

We believe that individuality is important, which is why we do not impose a set uniform. But when you look smart, you feel smart, so our expectations for student dress are high.

Well-being

On Wednesday afternoons we take a break from the classroom and spend an hour working on ourselves, be that with physical activity in football, Boxercise or Pilates, or relaxing the mind in Yoga, The Voice or the Green Space gardening projects.

Students will need to bring activity-appropriate clothes to wear for the Well-being sessions, including jogging bottoms or shorts, trainers and a Watford UTC Well-being top which can be purchased from reception. Watford UTC hoodies can also be purchased from us, but are not compulsory.

Those doing football will also need football boots and shin-pads.
